

Product Highlights

Easy Expansion

Easily add 2 x USB 3.0 ports to Windows and macOS computers, Chromebooks and iPad Pro with a spare USB-C port. Simply plug in, no need to install additional software

Ultra-Fast USB 3.0

SuperSpeed USB 3.0 technology allows you to transfer files up to 10 times faster than with USB 2.0

Dual-Slot SD Card Reader

Dual-slot SD card reader is compatible with both SD and microSD cards

DUB-2325

5-in-1 USB-C Hub with Card Reader

Features

SD Card Compatibility

- SD card¹ & microSD card²
- SD, SDHC, SDXC

Versatile and Convenient

- Two USB 3.0 SuperSpeed 5 Gbps ports
- One USB 3.0 Type-C port with data sync
- Simply plug-and-play, no software required
- Compact design
- Compatible with Windows and macOS computers, Chromebooks and iPad Pro

The DUB-2325 5-in-1 USB-C Hub with Card Reader instantly adds an SD card reader, two USB 3.0 ports, and a USB-C port to your Windows and macOS computers, Chromebooks and iPad Pro. You can connect up to two USB devices and insert a microSD or regular SD card, giving you direct access to your full-resolution photos stored on memory cards from your cameras. You can also sync one USB-C device, meaning that you don't have to give up that USB-C port this hub is connected to.

Hardware Overview

DUB-2325 5-in-1 USB-C Hub with Card Reader
