EAN code	5704704022096	QTY in 40HQ	160

Short Description

Free-standing freezer with 99 litres capacity and static freezer. The freezer fits nicely into small spaces, such as the dorm room or summer house, and is also a perfect supplement to achieve extra freezer capacity if a fridge/freezer is no longer enough in the household. The freezer has 4 transparent drawers.

The freestanding freezer comes with 2 adjustable feet in the front, so it can stand flat on most surfaces. The cabinet door opens to the right, but the door can also be reversed, so the cabinet is flexible to place in all rooms.

The freezer is mechanically controlled and has a freezing capacity of 4.5 kg/24h
