

USB Hub 4 port USB 5 Gbps with 4 x USB Type-A female black

Description

The USB hub by Delock can be connected via USB Type-A interface to a PC or laptop. It has four USB Type-A connectors. Different USB devices such as USB flash memory, card reader, external enclosure etc. can be connected.

Versatile USB hub for home, office and travelling

The hub is ideal for use at home, in the office or when travelling and offers an easy way to expand the USB functionality of your laptop.

With blue LED indicator

The hub has a static blue LED that lights up when voltage is applied.
