Dual Gas Spring Monitor Mount

Elevate your workspace with the eSTUFF dual ergonomic gas spring monitor mount.

Designed for comfort and flexibility, this mount makes it effortless to tilt, pivot, and adjust your screen to the perfect viewing position — reducing strain and enhancing productivity.

Installation is quick and simple with VESA standard plates, ensuring broad compatibility. Even if you upgrade or replace your monitor, you'll always find a perfect fit with the eSTUFF mount.

Built-in cable management keeps your desk tidy and hazard-free by organizing and routing cables neatly out of sight. The result? A cleaner, safer, and more professional workspace.

eSTUFF Monitor Mount – ergonomic design meets effortless functionality.

- Designed for displays and monitors from 17" to 32"
- Gas spring technology for easy adjustment
- Supports two monitors with independent movement (9 kg max per monitor)
- 360° Rotary VESA plate for better viewing experience
- 5 years warranty
