

X205 MINI **PORTABLE SSD**

3D NAND | USB-C™ 3.2 Gen2

EMTEC INTRODUCES THE ULTRA-COMPACT **X205 PORTABLE SSD**. TINY SIZE, HIGH PERFORMANCE !

We are proud to announce the launch of our latest product, the Emtec Portable SSD X205 USB 3.2 Gen2. This sleek and powerful device combines exceptional performance with a remarkably tiny design in aluminium

Tiny and powerful performance in the palm of your hand

The Emtec Portable SSD X205 leverages the cutting-edge USB 3.2 Gen2 interface to deliver impressive data transfer speeds up to 1100 MB/s*. Whether you're transferring large files, editing high-resolution media, or backing up your digital library, the X205 ensures a seamless and efficient experience.

Capacities to suit every need

Available in 256GB, 512GB, and 1TB, the X205 provides ample storage for all your files, from essential documents to extensive multimedia collections. Choose the size that best fits your lifestyle and professional requirements.

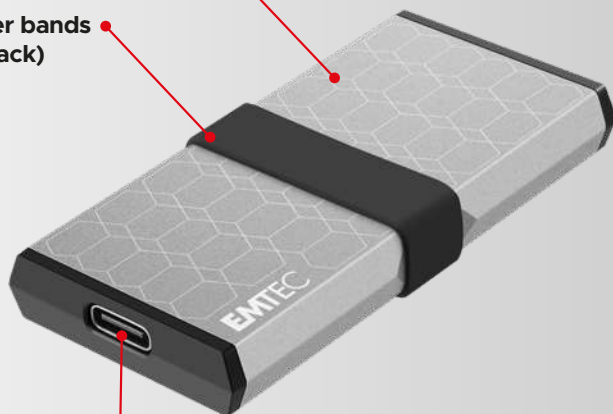

Compact design, maximum portability

Engineered with portability in mind, the X205's ultra-compact and lightweight design makes it the perfect companion for professionals, content creators, and travelers. Its tiny size allows you to slip it into your pocket or bag with ease, ensuring your data is always within reach.

Etched Aluminium Design

2 Rubber bands
(Red/Black)

USB-C Connector

Up to **1100 MB/s***

*Up to 1100MB/s read speed. Write speed is lower.
Based on internal test. Performance may vary depending on use and device.

Why Choose the Emtec X205?

- **Unparalleled portability:** Tiny size for unmatched convenience.
- **Exceptional performance:** Harness the power of USB 3.2 Gen2 for high-speed data transfers.
- **Storage options:** Choose from 256GB, 512GB, or 1TB capacities.
- **Stylish and durable:** A sleek and elegant aluminium design
- **Reliable quality:** Built with Emtec's trusted quality and innovation.

The Emtec Portable SSD X205 is set to revolutionize the way users think about portable storage. Whether for personal or professional use, this device delivers unmatched convenience, speed, and style.

Availability: February 2025.
