Meet. Schedule. Join

The Poly TC10 touch control panel makes meetings more productive and allows users to easily schedule workspaces and conference rooms.

Easier room scheduling

The multi-color LEDs let you know the vacancy status of the room from a distance. And the clear, bright touch screen lets you schedule in seconds.

Complete call control

Use the large 10" high-resolution touch display to control your video calls and share content with a tap.

Clean and simple installation

Mount on a wall, on glass, or on a table, adjusting the viewing angle for maximum visibility. The single cable provides both power and connectivity.

Featuring

Useful inside or outside any room

Can be used outside the room (scheduling) or inside (video and room controller).

Large, clear display

Intuitive, easy-to find controls, thanks to its clear, high-resolution 10” touch display.

Sleek design

Tidy, professional-looking setup, thanks to sleek design and a single cable for both power and connectivity.

Certified for Zoom

Schedule and conduct Zoom meetings with ease via seamless integration with the app.

Certified for Microsoft Teams
