BT7564

INTERFACE ADAPTOR ARMS FOR VESA® 600 X 400

Designed to increase the VESA mounting pattern of smaller mounts to accommodate larger screens, the BT7564 allows VESA 400 fixings to be increased to VESA 600. These adaptor arms are ultra-slim to keep the depth of the install to a minimum and can be used with a large variety of existing B-Tech products, such as the BT8310, BT8311 and System X interface arms. All mounting hardware included.

SPECIFICATION

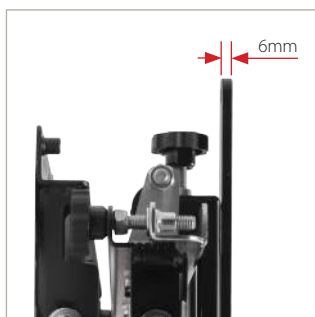

VESA® compatibility	600mm
Max load	dependent on mount to which the BT7564 is attached
Depth increase to the install	6mm
Colour	Black
