### Air Fryer 5,7L

EAN 6221127476033

AIR FRYER

- **5.7 L capacity – ideal for up to 8 portions or a whole chicken**
- **360° Cyclone Airflow for crispy results with up to 90% less fat**
- **8 cooking presets + manual control up to 200°C and 9 hours**
- **Non-stick, dishwasher-safe basket for easy cleaning**

Meet the Tornado Air Fryer 5.7 L – your everyday countertop partner for healthier, hassle-free cooking. With a powerful 1750 W heater and 360° Cyclone Airflow, it crisps your favorite foods using up to 90% less fat than traditional deep-frying. The spacious single basket holds a whole 1.5 kg chicken or 800 g of fries—perfect for family meals. The non-stick, dishwasher-safe basket ensures easy cleanup, while the grill rack adds cooking flexibility. Choose from eight one-touch presets (French fries, steak, chicken wings, drumsticks, fish, vegetables, cake, and dried fruit), or switch to manual control with adjustable temperature from 60–200°C and timer up to 9 hours, perfect for slow dehydration. Auto shut-off, overheat protection, and a cool-touch housing make cooking safe and worry-free. After 50 seconds of inactivity, the fryer automatically returns to standby mode for added energy efficiency.
