Sound

Comfortable headset designed for children

Long-range wireless connection keeps kids connected to their devices even as they move around while listening.

Headband cushion to ensure long-lasting wear, and the soft, wraparound ear cups provide excellent wearing comfort and sound isolation.

Designed to protect children's ears for limiting volume at 85 dB.

Easy to use on-earcup controls.

3.5 mm audio port

Built-in mic for easy communication with family and friends.
