i-tec USB-C DisplayPort Bi-Directional Cable Adapter 8K/30Hz 150cm

i-tec USB-C DisplayPort Bi-Directional
Cable Adapter 8K/30Hz 150cm

PRODUCT DESCRIPTION

Expand your desktop or docking station with an external monitor via the new USB-C, USB4 or Thunderbolt 3/4 connector. This cable adapter supports up to 8K video and stereo audio. The cable adapter is suitable for use with all laptops equipped with a USB-C connector that supports video transfer (DisplayPort alt mode), as well as with a Thunderbolt 3/4 or USB4 connector.

This video cable adapter is bi-directional: it can convert and transfer video both from USB-C to DisplayPort and vice versa: from DisplayPort to USB-C.

It is very easy to use, just plug the cable adapter into the appropriate port - either USB-C or DisplayPort and connect the desired accessories, e.g. monitor, projector, etc.

PRODUCT FEATURES

- 1x integrated USB-C cable for connecting to the host device (150cm)
- Graphic adapter technology: USB-C
- Video connector:
  - 1x DisplayPort and USB-C
