Short Description

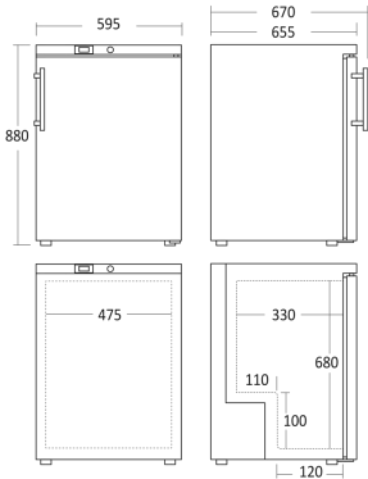

The refrigerator has ventilated cooling and comes with 2 + 1 strong adjustable white coded shelves with dense threads that ensure that the contents are stable on the shelves. Max loading per shelf 30 kg.

The cabinet has two wheels and two adjustable feet in the front, so the cabinet can be easily moved and can stand stable on most surfaces.
GUR190W is with a right-hinged door with a lock on the door, so it is possible to lock the cabinet. Furthermore, the door can be reversed, which makes it easier to place the cabinet in the interior.
