DATASHEET

HyperX Clutch Tanto Mini WD Gaming Controller

PERFECTLY SIZED FOR YOUNGER GAMERS.

Younger Xbox players and gamers who just want a smaller, more portable controller, the HyperX Clutch Tanto is your weapon of choice. The HyperX Clutch Tanto Gaming Controller is a compact, officially licensed wired Xbox controller with room for all the standard buttons and controls. Weighing just 5.8 ounces (165g), it's easy to fit in a backpack or pocket for some after-school battles. Plug it directly into Xbox Series X|S consoles using the USB-C to USB-A cable, and you can also use it to control your favorite games on PC, Steam Deck, or compatible Android devices1. It also features a 3.5mm stereo jack so you can easily connect your favorite wired headset, so you can be sure that you'll have the setup you need to succeed, even when you're not at home.

Key features

Officially Licensed for Xbox[4]

The HyperX Clutch Tanto is fully compatible with Xbox Series X|S and Xbox One consoles, PC, and compatible Android devices[1].

Small form, full function

This capable controller keeps all of the standard buttons, inputs, and rumble motors so you don't have to sacrifice functionality to enjoy comfort.

Potent portable

The HyperX Clutch Tanto is the perfect size to fit in a pocket or backpack, so you can be ready to throw down at a friend's place, or the local PC café.

Worlds lightest wired mini controller licensed for Xbox[3]

The Clutch Tanto is designed to be the controller of choice for younger gamers[2] and players with smaller hands featuring a compact form that weighs just 5.8 ounces (165g).

Versatile multiplatform compatibility

Connects directly to Xbox Series X|S consoles using the USB-C to USB-A cable, or control your favorite games on PC, Steam Deck, or compatible Android devices[1].

Easy to hold, hard to put down

With its ergonomic design and smaller size, you won't strain your fingers stretching for buttons. Gaming will be so comfortable; you won't want to put this controller down.
