88 in 1 Pro Repair Kit

SKU: TESCREWSET88

All the tools you need to repair laptops, smartphones, tablets and electronic devices

PROFESSIONAL REPAIR TOOLS

The **88 in 1 Pro Repair Kit** is designed for people who need to carry out **complex electronic repairs** with precision and safety. With a full selection of bits, spudgers, anti-static pliers, suction cups and spatulas, it's perfect for **disassembling, replacing and reassembling internal components** without damaging them.

ERGONOMIC HANDLE AND MAGNETIC BITS

The screwdriver included comes with **non-slip grip** with rotating head for comfortable and precise use. The **interchangeable magnetic bits** ensure a secure grip on screws, avoiding accidental drops, and reducing working time on **smartphones, laptops, tablets and small devices**.

ORGANISATION CASE WITH SPECIAL ACCESSORIES

Everything is contained in one **compact and organised case**, ideal for transport or laboratory use. The set also includes **a suction cup, magnetising ring, flexible extension, rigid extension and angled lever**. Each accessory is designed to reach even the most complex areas with surgical precision.
