Magnetic work mat 250 x 200 mm for labelling components

ORGANISATION DURING REPAIR

When you disassemble a **smartphone, tablet or laptop**, every screw or component counts. The **250 x 200 mm magnetic mat** helps you to **label, track and separate parts** in an orderly manner during repair. Each area of the grid is easy to write on and erase with the marker included, to keep everything under control.

REDUCES REASSEMBLY TIME

Thanks to the division into sections and the magnetic function, you can **reduce reassembly time by 40%** , avoiding mistakes or forgotten screws. Each part stays put, ready to be reassembled in the right order. An indispensable tool for people who carry out **professional or do-it-yourself repairs** .

ERASEABLE, NON-SLIP SURFACE

The surface is designed so you can **write and erase assembly notes.** Ideal for working notes. In addition, the back is **non-slip** to ensure stability on any workbench. A simple yet revolutionary accessory to make every repair faster and more precise.
