MADE TO LAST

—

Our dedication has always been to the highest quality products that blend design and performance. A valuable alternative to the cheap, throwaway options in the tech accessories market.

We're bringing universality to the forefront, too. We hope to design long-lasting universal solutions that, wherever possible, are compatible across devices and can still be used when you change or upgrade your tech; finished in timeless designs that aren't just passing trends, so you'll never feel like they're out of style.

Buy once, use it for years to come.

CHASING B-CORP CERTIFICATION

—

In 2023, we began embarking on a transformative journey towards achieving B-Corp certification, a milestone that reflects our deep commitment to not just being the best in the world, but the best for the world.

This journey represents our dedication to meet the highest standards of verified social and environmental performance, public transparency, and legal accountability. We believe in using the power of business to build a more inclusive and sustainable economy. As we navigate through this rigorous certification process, we are committed to continuous improvement in every aspect of our operations, from our supply chain practices to our internal policies and community engagements.
