

Classic EQ USB-C® Headset with Mic and Volume Control

The essential USB-C® headset.

K97464WW

Product Description

Whether attending virtual meetings, making calls or simply listening to music, professionals and students alike need an affordable headset that delivers clear audio, whilst remaining comfortable and compatible with the latest USB-C® devices. The Classic EQ USB-C® Headset with Mic and Volume Control allows you to communicate clearly. The passive noise-cancelling design reduces background noise for improved clarity and focus, together with an in-line volume and mute controller offering convenience. The adjustable padded headband and soft leatherette earpads provide hours of comfortable use. The plastic used in the Classic EQ USB-C® Headset contains 36% post-consumer recycled content.*

Features

- Compatible with USB-C® devices running Windows, macOS, iOS, iPadOS, Android and ChromeOS.
- Adjustable padded headband and soft leatherette-covered foam earpads ensure a comfortable fit.
- 2m (6.6') long braided cable supports flexible movement and improved durability.
- Passive noise-cancelling technology filters out ambient noise for improved clarity.
- Microphone rotates up to 270° so it can be worn on the left or right side.
- Easy-to-reach volume and mute controls are integrated into the cord.
- Safe listening limit protects ears from hearing loss associated with excessive loudness.
- The plastic in the Classic EQ USB-C® headset contains 36% post-consumer recycled (PCR) content*. *Excludes Printed Circuit Board (PCB) assembly.
- Stereo sound delivers an improved audio experience compared to integrated speakers, built-in microphones or in-ear headphones.
- 2-year limited warranty.
