

Combo LockPro - HDMI Cable Lock

2X-EA17

Combo LockPro is ATEN's exclusive and innovative solution designed to prevent signal loss caused by loose or detached HDMI connectors. Specially engineered for DisplayPort/HDMI combo connectors, it ensures a strong and secure connection between HDMI cables and compatible devices, making it ideal for mission-critical applications where signal stability is non-negotiable.

With a one-piece, reusable design, Combo LockPro allows for quick, tool-free installation and removal, while significantly enhancing both durability and connection reliability. Designed with environmental consciousness, the product is RoHS compliant and fully recyclable, offering a practical and efficient way to maintain uninterrupted signal transmission in demanding professional settings.

Features

- Specially designed for DisplayPort/HDMI connectors to ensure strong and reliable HDMI cable connection
- Innovative design improves stability and flexibility
- One-piece and reusable design for easy installation and removal
- Environmentally safe – RoHS compliant and recyclable
- Sold 10 pieces per pack

Specifications

	2X-EA17
Storage Temperature	-20 – 60 °C
Humidity	0-95% R.H, Non-Condensing
Weight	0.01 kg
Dimensions (L x W x H)	9.40 x 6.47 x 2.35 cm

One-piece Design for Easy Installation

- 1 Insert the Combo LockPro into the DisplayPort section (upper side) of the DisplayPort/HDMI combo connector.

- 2 Connect the HDMI cable to the HDMI section (lower side) of the DisplayPort/HDMI combo connector.

- 3 Wrap the tail tightly around the HDMI cable.

- 4 Secure it with the buckle.
