PRODUCT SPECIFICATION

REF 726000 CEDERROTH EYE & WOUND CLEANSING SPRAY

1 GENERAL PRODUCT DESCRIPTION

Description

A portable aerosol spray bottle filled with 150 mL physiological (0.9%) unbuffered sodium chloride solution, preservative free and sterile. The device provides a gentle spray douche that is suitable for use on both eyes and wounds. The actuator is protected by a plastic cap and a tamper seal. The nitrogen propellant is not in contact with the solution. The solution remains sterile until last drop. The Cederroth Eye & Wound Cleansing spray is intended to be used for rinsing and cleansing out dust and dirt from eyes and wounds.

Storage information

Store in temperatures between 15°C and 30°C.

2 DETAILED PRODUCT INFORMATION
