I-Series 5 with Android™

All-in-One Touchscreen

Google™ Mobile Services

Android 14

Enterprise-Grade Support

Product Overview

Elo's I-Series delivers the modularity businesses need into a sleek and durable fixed tablet form factor. Available in 10-, 15- and 22-inch sizes with a Full HD touch display, flexible Android 14 OS, powerful Qualcomm 6490 processor, WiFi 6E, optional POE and four edge connect ports, the I-Series provides the versatility to fit almost any application.

From self-service, point-of-sale and kitchen display systems to price checkers, industrial controls and HMI, start changing the way customers and employees interact by deploying a new generation of interactive technologies. And with the added benefits of Elo's Enterprise-grade support, you gain access to tools that provide seamless integration, effortless provisioning and simplified device management through EloView or your preferred management tools.

Available in 10", 15" or 22" widescreen sizes with high-performance computing and sleek edge-to-edge glass PCAP touchscreen

Enterprise-Grade Support - Security updates, seamless provisioning, Elo Home, OEMConfig and more

Deploy content, manage settings and maintain the OS with EloView

Modular design with flexible mounting

I-Series 5 with Android AiO Touchscreen
