BT7822

HEAVY DUTY CEILING / FLOOR MOUNT FOR Ø50MM POLES

Made from heavy duty 6mm thick steel, the BT7822 is a robust mounting solution designed to mount Ø50mm poles to the floor or ceiling. Capable of supporting heavy loads, it is the ideal solution for ceiling mounted flat screen or projector installs, ranging from basic setups to complex installations that feature multiple screens or AV components.

SPECIFICATION

Max load	150kg*
Elevation / Drop	141mm
Plate diameter	Ø150mm (without cover)
Colour options	Black, White or Chrome

**Max load can be increased when being used as part of a floor to ceiling installation*

FEATURES

- Can be used to mount a Ø50mm pole to the ceiling or to the floor
- Heavy duty steel capable of supporting substantial loads
- Multiple grub screws allow micro-adjustment of the pole to ensure a perfectly angled drop, even with heavy loads attached
- Integrated cable management through the top or side of the mount
- Includes cover plate for a neat and tidy installation

Ideal for mounting screens and projectors to the ceiling

Integrated cable management to hide unsightly cables

Cover plate included for a neat and tidy installation

Also available with Chrome finish
