Turbo SF® 4209

The FRITEL Turbo SF® 4209 is without a doubt the cutest fryer on the market. Thanks to its nice round shape with playfully finished colour band, it is not beautiful but it is also exceptionally compact and efficient. Now in a high-quality anthracite metallic/silver version to tempt you even more. This FRITEL deep fryer is equipped with a double heating element which allows you to fry up to 50% faster. The fries are seared faster, therefore more crispy, less greasy and healthier. This is the ultimate secret of the real Belgian fries! Unique and patented, only from FRITEL! A nice extra is the special position for melting solid fat.

Fritel, Tastefully Created !
