Poly Studio V52 USB Video Bar

*Product image may differ from actual product

Raise the bar with every meeting.

For the latest in advanced conferencing tech coupled with USB simplicity, Poly Studio V52 Premium USB Video Bar has joined the call. Make effortless, crystal-clear connections in any medium-sized room thanks to striking visuals and next-gen AI features.

Be transported
Meet like you're in the same room thanks to a razor-sharp 4K 20MP camera, 5X zoom and legendary sound and audio pickup for true-to-life conferencing in any medium-sized space.

Frame up a better conversation
With better focus comes deeper collaboration. Latest-generation AI tech ensures everyone is always in frame, in focus, and in the discussion without distractions.

Elevated conferencing, ready for any meeting
Meet productively in more ways, and more rooms. With its flexible USB connectivity, you get consistent, enhanced experiences across any Poly-enabled space.

Featuring

Sharp and clear optics
Zoom into the action and see the smallest details with 20MP 4K UltraHD 95-degree FOV camera.

Everyone is seen at the table
Poly DirectorAI smart camera technology creates an equitable experience for your hybrid meetings.

Get going in minutes
Mid-sized rooms can be ready in minutes with the USB connection, which includes a camera, mics, speakers, and AI smart framing.

Hear and be heard
Surround in-room meeting participants with legendary sound and remove distractions with noise canceling technologies.

We work everywhere that you do
Works seamlessly with your favorite video conference platforms, for a full experience with all the features you know and love.

Easy management via Poly Lens
Deploy from anywhere via remote management with Poly Lens.
