Instruction Manual

ENG 1

Safety information:

Please read the safety instructions carefully before using the product for the first time and keep the instructions for future reference.

1. This product is not a toy. Keep it out of reach of children.
2. Warning: This product includes lithium polymer batteries.
3. Keep product out of the reach of children and pets to avoid chewing and swallowing.
4. Product operating and storage temperature is from 0 degree Celsius to 40 degree Celsius. Under and over this temperature might affect the function.
5. Never open the product. Touching the inside electrics can cause electric shock. Repairs or service should only be performed by qualified personnel.
6. Do not expose to heat, water, moisture, direct sunlight!
7. Please remove the earphones in case of any leakage or excessive heat from the product to avoid burns or rash.
8. Please protect your ears against loud volume. Loud volume can damage your ears.
9. Bluetooth wireless technology operates within a range of about 10 m (30 feet). The maximum communication distance may vary depending on the presence of obstacles (people, metal objects, walls, etc.) or the electromagnetic environment.
10. Microwaves emitting from a Bluetooth device may affect the operation of electronic medical devices.
11. The unit is not waterproof. If water or foreign objects enter the unit, it may result in fire or electric shock. If water or a foreign object enters the unit, stop use immediately.
12. This product does not support harmonized charging.

Product specifications:

Model number: BTN-211
Bluetooth version: 5.3
Bluetooth name: BTN-211
Standby time: approx. 100 hours
Music playback time: up to 20 hours
Battery capacity: 3.7V 300mAh
With noise cancelling function

ENG 2

Button operation:

- ① Micro-SD card slot

② Multi-function button:

Power on/off and Pairing: press and hold for 2-3 seconds until the indicator light starts flashing, turn on the bluetooth of your phone, click 'BTN-211' and connect it.

Pause / Play: press ONCE to pause or play the music.

Call: press ONCE to answer/end-up a call. Press TWICE quickly to redial the last number. Press and hold to reject the incoming call.

- ③ LED indicator
- ④ Type-C charging port
- ⑤ Microphone
- ⑥ 3.5mm audio port
- ⑦ Short press to increase the volume, press and hold for next track.
- ⑧ Short press to decrease the volume, press and hold for previous track.
- ⑨ ANC / Siri: short press to turn on/off the noise cancelling function. Press TWICE quickly to trigger the Siri or Google Assistant.

Headphones charging:

Charge the headphones with the standard USB-C cable in the package. The red indicator light keeps ON when it's charging, and the light goes OFF when it's fully charged.

NOTE: To avoid complete discharge of the battery, charge the headphones at least every 4 months.

ENG 3

Please notice - All products are subject to change without any notice.
We take reservations for errors and omissions in the manual.
ALL RIGHTS RESERVED, COPYRIGHT DENVER A/S

Electric and electronic equipment and included batteries contains materials, components and substances that can be hazardous to your health and the environment, if the waste materials (discarded electric and electronic equipment and batteries) are not handled correctly.

Electric and electronic equipment and batteries are marked with the crossed out trash can symbol, as below. This symbol signifies that electric and electronic equipment and batteries should not be disposed of with other household waste, but should be disposed of separately.

As the end user it is important that you submit your used batteries to the appropriate and designated facility. In this manner you make sure that the batteries are recycled in accordance with legislature and will not harm the environment.

All cities have established collection points, where electric and electronic equipment and batteries can either be submitted free of charge at recycling stations and other collection sites, or be collected from the households. Additional information is available at the technical department of your city.

Hereby, DENVER A/S declares that the radio equipment type DENVER BTN-211 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: Please enter: **denver.eu** and then click the search ICON on topline of website. Write model number: BTN-211. Now enter product page, and red directive is found under downloads/other downloads.

Operating Frequency Range: 2402MHz - 2480MHz

Max Output Power: 6dBm
