

SB196.040.100

**BahcoFit VDE Insulated Slotted
Screwdriver with Multi-Component
Handle 0.8 mm x 4 mm x 100 mm -
Retail Pack**

PRODUCT DETAILS

- Insulated VDE Screwdriver for slotted head screws
- Phosphate finish tip for higher accuracy
- 2-Component handle with vertical grooves of maximum friction, anti-slip and a large zone of soft grip for comfortable grip and high torque transfer
- Soft, high-friction material with ridged surface for comfortable grip and maximum friction even when the hand is oily
- Indelible symbol tip, easy to choose the right tip
- Permanent symbol and markings on the handle for quick identification of the tip
- Integrated hanging hole
- For work on live equipment up to 1000 V, high quality blade insulation that is moulded directly onto the blade
- Individually inspected and manufactured according to IEC 60900, tested in a water bath at 10000 V
- Standards: ISO 2380, DIN 5264
- SB = Retailed packed on a plastic hanger
- Comfortable to use with two-component handle made with over 75% rubber
- Maximum grip thanks to the vertical anti-slip grooves in the handle
- Easy size and screw type identification from the markings on the handle
- High-performance insulated alloy steel shaft with phosphate finish tip
