ARENA
MOUSEPAD

The Arena Mousepad is custom made to fit the Arena desk and Arena Pro, covering 100% of its surface. The 5mm thick mousepad is made of microfiber with an anti-slip rubber bottom to keep it in place.

On top of that, the Arena mousepad is water-resistant, machine-washable, and interchangeable so you can have several if you want a change of color.

Standard

PAD-DKGY - Dark Grey

PAD-A - Red A
