Selling Points

Connected Water Leak Detector (Apple HomeKit)

- Avoid expensive water damage: Eve Water Guard detects water leaks, and alerts you the moment they occur.
- Alerts you acoustically with its 100 dB siren, visually by a red flashing warning light and notifies you via iPhone, iPad or Apple Watch.
- 2 m sensing cable (extendable up to 150 m) serves as a full-length sensor for monitoring large areas of your room.
- Perfect for the bathroom, utility room, basement and beneath sinks and water pipes.
- Get up and running in a flash with a quick & easy setup and no need for a bridge or gateway.
- Joins your Thread network automatically, and as a router node the accessory enhances the stability and reach of your smart home / supports Bluetooth and Thread.
- Apple HomeKit-enabled for outstanding ease of use and advanced security.

Target Group

- Smart Home Buyers
- Builders
- Technology Enthusiasts
- Individuals & Families & iOS Users
