

2000 watt

**Capacity:
3 litres oil/fat**

**Stainless steel
powder-coated**

Cold zone technology keeps the oil/fat clean and odourless for much longer

PC-FR 1325 cold zone fryer

- > Professional deep fryer with frying basket
- > Stainless steel housing and cover with high-quality black powder coating
- > Cold zone technology – heating coil immersed directly in the fat for fast heating and low-odour frying
- > The cold zone prevents residues from burning – the oil/fat stays clean and low-odour for much longer
- > Capacity: 3 litres of oil/fat
- > Continuously adjustable thermostat (130°C - 190°C)
- > 2 indicator lights for mains and heating
- > Stainless steel heating element
- > Scratch-resistant enamel-coated fat container (removable)
- > Can be completely dismantled for quick and easy cleaning
- > Fat container, lid and frying basket are dishwasher safe
- > Cable compartment
- > Overheating protection
- > 220–240 V, 50–60 Hz, 2000 W

Without decoration

For all your favourite dishes
