Looking Good Has Never Been Easier

AI features automatically make you look good so you can simply focus on your performance. Show up with confidence thanks to Zoom certification and represent your true self with FHD 1080p, auto focus and auto backlight correction and two background noise-reducing microphones.

You're in Control

Stay in control of how you present yourself by customizing your Full HD webcam settings in Poly Lens[2]. Take control of the perfect angle with digital zoom, adjustable field of view, and specific image controls like brightness and more.

Simply Secure

Take center stage confidently knowing your security is in good hands and make the login process seamless with Windows Hello[1] face authentication. Plus, the physical privacy cover lets you decide when to share, and the activity light reminds you when you're live.

Full Adjustability

Capture the world around you without disrupting your setup. Whether you're framing yourself, showcasing a product or showing off the views, you can point this webcam freely to wherever you need thanks to 360° swivel, tilt down up to 90°, and an adjustable field of view of 66°, 78°, 92°.
