| 5. Operating system                                                                                                            |                                 | Android                               |  |
| 6. Energy efficiency class                                                                                                     |                                 | B                                     |  |
| 7. Battery user-replaceable                                                                                                    |                                 | No                                    |  |
| 8. Battery endurance per cycle (END <sub>device</sub> [h])                                                                     |                                 | 47                                    |  |
| 9. Battery endurance in cycles - default settings [cycles]                                                                     |                                 | 800                                   |  |
| 10. Rated battery capacity (C <sub>rated</sub> [mAh])                                                                          |                                 | 5 000                                 |  |
| 11. Shipped with protective cover                                                                                              |                                 | No                                    |  |
| 12. Repeated free fall reliability test - falls without defect [n]                                                             |                                 | 90                                    |  |
| 13. Repeated free fall reliability test - falls without defect, tested in fully extended state [n]                             |                                 | n.a.                                  |  |
| 14. Repeated free fall reliability class                                                                                       |                                 | C                                     |  |
| 15. Ingress protection rating                                                                                                  |                                 | IP54                                  |  |
| 16. Specified immersion depth in water, in case of IPx8 [m]                                                                    |                                 | n.a.                                  |  |
| 17. Screen scratch resistance on Mohs hardness scale                                                                           |                                 | 5                                     |  |
| 18. Charger                                                                                                                    | Required output power [W]       | 10                                    |  |
|                                                                                                                                | Receptacle type (at device end) | USB-C                                 |  |
| <b>Repairability information:</b>                                                                                              |                                 |                                       |  |
| 19. Minimum guaranteed availability of operating system security updates, corrective updates and functionality updates (years) |                                 | 6                                     |  |
| 20. Repairability Class (based on the index below)                                                                             |                                 | B                                     |  |
| 21. Repairability Index                                                                                                        |                                 | 3,57                                  |  |
| 21a. Disassembly Depth (S <sub>DD</sub> ) score                                                                                |                                 | 3,30                                  |  |
| 21b. Fasteners (type) score (S <sub>F</sub> )                                                                                  |                                 | 4,20                                  |  |
| 21c. Tools (type) score (S <sub>T</sub> )                                                                                      |                                 | 4,10                                  |  |
| 21d. Spare Part score (S <sub>SP</sub> )                                                                                       |                                 | 4                                     |  |
| 21e. Software Updates (duration) score (S <sub>SU</sub> )                                                                      |                                 | 3                                     |  |
| 21f. Repair Information score (S <sub>RI</sub> )                                                                               |                                 | 3                                     |  |
| 22. Weblink to information on spare parts availability for professional repairers and end users                                |                                 | www.blackview.hk                      |  |
