360° rotating metal notebook stand - iClick

RAISE AND TILT YOUR PC FOR OPTIMAL COMFORT

Adjustable metal iClick support for Notebooks up to 17 inches.
Allows you to position your notebook at the ideal height for your set-up.
Retractable, tiltable and precisely adjustable thanks to these two adjustment dimensions.
Easily adjust the height of your notebook between 2cm and 17cm. Perfectly free tilt angle between 0° and 90°.
Its non-slip pads allow secure anchoring on the desk. The same goes for the pads on the upper plate which allow optimal support for the device.
Its satisfactory and precise rotating bearing system allows perfect adjustment of the position and easy showing of content to colleagues.
