- IP65 weatherproof rated

**Special characteristics**
- Motion sensor, for convenience and reassurance

**High-quality light**
- High light output

# Highlights

### Long lifetime up to 15,000 hours

Reliable high-quality LED light lasts up to 15,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while enjoying the perfect garden light every night.

### High-quality aluminium and real glass

This Philips light is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminium and real glass.

### IP65 weatherproof rated

An IP rating contains two digits which refer to protection against solids, such as dust, or liquids, such as rain. IP65 means that these light fixtures are protected against water splashed from any direction and are suitable for outdoor use.

### Motion sensor, for convenience and reassurance

A motion sensor is included to welcome you when you return home or let you know when someone's coming.

### High light output

Brighten up your home with high-quality light
