HEADSET HANGER

Keep your headset within reach and your desk clutter-free with the Arozzi Headset Hanger. Made from durable steel and available in black or white, it's a sleek and practical upgrade for any gaming or work setup. Designed to complement the Arena Desk Series, it combines style, convenience, and quality in one compact accessory.

The headset hanger is easy to install and comes with two types of screws to suit different setups: thumb screws for Arena Desks with pre-drilled holes (available in the latest batches), and self-drilling screws for universal mounting on any desk that is at least 1,5 cm thick. Choose the method that suits your desk, and enjoy a cleaner, more organized workspace in minutes.

Keeps your headset off the desk to save space and stay organized.

Quick and easy to attach with included mounting screws.

Fits all Arena Desks, and any desk with a thickness of at least 1,5 cm / 0.6 inches
