HP 250R 15.6 inch G10 Notebook PC

Boost output with affordable options and ample screen space

Uplevel productivity, at your desk or on the go, with this reliable, affordable 15-inch laptop. Supporting crucial business tasks with an efficient Intel® processor[2] and upscaled specs, this versatile laptop PC ensures you show your pro side—every time.

Flexible for every business need

Discover the power of modern PCs with upgraded processors and business-ready tools. These HP laptops offer essential performance for everyday use wherever work takes you. Flexible and portable, they provide a variety of options to help meet all business needs.

Tested for reliability and durability

Undergoes MIL-STD testing[3] for hardware and systems to help ensure your HP 250R 15.6 inch G10 Notebook meets or exceeds HP durability standards—helping reduce total cost of ownership.

Advanced Windows Enhanced Sign-in Security (ESS)

Ensure data remains protected and reduce the risk of data breaches and spoofing attacks with ESS.[4] Isolating biometric data and leveraging hardware and software features provides a robust, secure environment for biometric authentication.

*Product image may differ from actual product

Sustainability in action

Outer box packaging 100% sustainably sourced

Committed to sustainability, the EPEAT® Climate + Gold registered[6] in the U.S. and TCO certified HP 250R G10 laptop uses 100 percent sustainably sourced and recyclable outer box packaging.[5] Offered with a no adapter option to reduce e-waste.

HP 250R 15.6 inch G10 Notebook PC

Featuring

Flexible for every business need
Discover the power of modern PCs with upgraded processors and business-ready tools. These HP laptops offer essential performance for everyday use wherever work takes you. Flexible and portable, they provide a variety of options to help meet all business needs.

Tested for reliability and durability
Undergoes MIL-STD testing[3] for hardware and systems to help ensure your HP 250R 15.6 inch G10 Notebook meets or exceeds HP durability standards—helping reduce total cost of ownership.

Advanced Windows Enhanced Sign-in Security (ESS)
Ensure data remains protected and reduce the risk of data breaches and spoofing attacks with ESS.[4] Isolating biometric data and leveraging hardware and software features provides a robust, secure environment for biometric authentication.

Outer box packaging 100% sustainably sourced
Committed to sustainability, the EPEAT® Climate + Gold registered[6] in the U.S. and TCO certified HP 250R G10 laptop uses 100 percent sustainably sourced and recyclable outer box packaging.[5] Offered with a no adapter option to reduce e-waste.

HP recommends Windows 11 Pro for business
Work anywhere without compromising on performance with Windows 11[1] and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.[8]

Intel® multi-core processor
Configure your HP 250R G10 CPU for the perfect combination of power, snappy performance, and value. Choose up to an Intel® Core™ i7 processor to handle multiple work tasks smoothly and reliably with multiple processing cores.[2,9]

Look your best, even in low light
The optional FHD[9] camera provides visual clarity, while temporal noise reduction improves video quality in low-light settings and lowers the effects of visual noise and pixelation, allowing increased definition—so you can capture all the details.

Hassle-free connectivity
Get a fast and reliable connection in dense wireless environments with optional gigabit-speed Wi-Fi 6[9,10,11] and an optional WLAN 802.11ax and Bluetooth® combo.[9,10,12]

Preserve your privacy
Never wonder if someone is watching you with the added peace-of-mind that comes from the integrated HP Privacy Camera[13], with a physical shutter to protect from malicious surveillance.

Hardened fingerprint authentication
Secure your laptop against hardware and malware threats with the match-on-host fingerprint sensor.[9] Capture, secure, and store your biometric asset, while the host system protects the integrity and privacy of your fingerprint data.

Help secure critical data
The Trusted Platform Module (TPM) provides hardware-based encryption keys to help secure your data, e-mail, and user credentials.[14]

The latest connectivity
Charge and transfer data to and from USB-C® devices and accessories. The multi-function USB-C® port with fast-charging power delivery can eliminate the need for a power adapter, saving both time and money.[15]

Spill-resistant keyboard
Resist dust and spills and protect your investment with a keyboard that features an extra layer of protection under the keys.[16]

HP 250R 15.6 inch G10 Notebook PC

Technical specifications

Available Operating Systems	Windows 11 Pro[1] Windows 11 Home – HP recommends Windows 11 Pro for business[1] FreeDOS
Processor family	Intel® Core™ 7 processor Intel® Core™ 5 processor Intel® Core™ 3 processor
Available Processors[2,3,4]	Intel® Core™ 7 150U (up to 5.4 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads) with Intel® Graphics Intel® Core™ 5 120U (up to 5 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads) with Intel® Graphics Intel® Core™ 3 100U (up to 4.7 GHz with Intel® Turbo Boost Technology, 10 MB L3 cache, 6 cores, 8 threads) with Intel® Graphics
Product colour	Turbo silver; Ash silver
Maximum memory	16 GB DDR5-5200 MT/s; (Transfer rates up to 5200 MT/s.) Slots are non customer accessible/upgradeable. Supports dual channel memory.[5]
Memory slots	2 SODIMM
Internal storage	256 GB up to 1 TB PCIe® NVMe™ M.2 SSD[6]
Display size (diagonal, metric)	39.6 cm (15.6")
Display[9,10,11,12]	39.6 cm (15.6") diagonal, FHD (1920 x 1080), IPS, narrow bezel, anti-glare, 300 nits, 45% NTSC; 39.6 cm (15.6") diagonal, HD (1366 x 768), SVA, narrow bezel, anti-glare, 250 nits, 45% NTSC; 39.6 cm (15.6") diagonal, FHD (1920 x 1080), SVA, narrow bezel, anti-glare, 300 nits, 45% NTSC
Available Graphics	Integrated: Intel® Graphics
Audio	Dual stereo speakers, dual array microphones
Ports and connectors	1 USB Type-C® 10Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4, HP Sleep and Charge); 2 USB Type-A 5Gbps signaling rate; 1 AC power; 1 HDMI 1.4b; 1 stereo headphone/microphone combo jack ; (Cables are not included.)
Input devices	Full-size, textured, island-style keyboard with optional backlit[51]; Touchpad with multi-touch gesture support
Communications	(Compatible with Miracast-certified devices.[8]); ; Intel® Wi-Fi 6 AX201 (2x2) and Bluetooth® 5.2 wireless card, non-vPro®; Realtek Wi-Fi 6 RTL8852BE-VT 802.11a/b/g/n/ax (2x2) and Bluetooth® 5.4 wireless card
Camera	720p HD camera with temporal noise reduction (select models); 1080p FHD camera with temporal noise reduction (select models)[9,10]
Software	McAfee Online Protection 30-day trial[16]; Buy Microsoft Office (sold separately); Dropbox Promotion; Adobe offer; HP Documentation; HP Privacy Settings; HP SSRM; HP Support Assistant[17]; HP Connection Optimizer; HP Touchpoint Customizer; HP PC Hardware Diagnostics UEFI; HP Setup Integrated OOBE; Bing search for IE11; HP Smart; HP System Event Utility; HSA Telemetry for Commercial; HSA Fusion for Commercial; Microsoft Push-Button Reset
Security management	HP BIOS Recovery

HP 250R 15.6 inch G10 Notebook PC

Technical specifications

Power	HP Smart 65 W External AC power adapter; HP Smart 65 W EM External AC power adapter; HP Smart 45 W External AC power adapter; HP 65 W USB Type-C® Halogen-free adapter[15]
Battery type	HP Long Life 3-cell, 41 Wh Li-ion polymer[13]; Battery is internal and not replaceable by customer. Serviceable by warranty. Fast charging 50% in 45 minutes.[14]
Dimensions	35.98 x 23.6 x 1.17 cm (front); 35.98 x 23.6 x 1.57 cm (rear); (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.); 6.9 x 48.3 x 30.5 cm (Package)
Weight	Starting at 1.59 kg; (Weight will vary by configuration. Does not include power adapter.)
Ecolabels	EPEAT® registered configurations available; EPEAT® Silver registered; EPEAT® Gold registered; TCO Certified[18]
Energy star certified	ENERGY STAR® certified
Sustainable impact specifications	Low halogen; Bulk packaging available; 20% post-consumer recycled plastic; 50% recycled metal; 100% of HP paper-based packaging is from recycled or certified sustainable sources; Product Carbon Footprint; 5% ocean-bound plastic in speaker enclosure[19]
Warranty	HP Services offers 1-year or 3-year limited warranties and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty except for Long Life batteries which will have same 1-year or 3-year limited warranty as the platform. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP 250R 15.6 inch G10 Notebook PC

Footnotes

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
[3] MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
[4] ESS is enabled by default on Copilot+ PCs and requires compatible hardware and software components.
[5] 100% of HP paper-based packaging is from recycled or certified sustainable sources. HP paper and fiber based packaging for PCs, displays, home and office print, and supplies is reported by suppliers as recycled or certified, with a minimum of 97% by volume verified by HP. Packaging is the box that comes with the product and all paper-based materials inside the box. Packaging for commercial, personal systems accessories, and spare parts is not included.
[6] EPEAT® status varies by country. Visit http://www.epeat.net for more information.
[8] Microsoft Copilot requires Windows 11. Some features require an NPU. Timing and availability will be dependent on Microsoft and varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See http://aka.ms/WindowsAIFeatures .
[9] Optional feature that must be configured at the time of purchase.
[10] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs.
[11] Wi-Fi® supporting gigabit speeds is achievable with Wi-Fi 6 (802.11ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
[12] Wireless access point and internet access required. Availability of public wireless access points limited. Wi-Fi 5 is backwards compatible with prior 802.11 specs.
[14] Firmware TPM (TPM 2.0) is included. Discrete TPM (TPM 2.0) is available on select models and requires configuration at the time of purchase.
[15] USB-C® cables sold separately and not included.
[16] HP Total Test Process testing is not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

Specification Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
[3] Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
[4] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.
[5] Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
[6] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB is reserved for system recovery software.
[7] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 (802.11ax) is backwards compatible with prior 802.11 specs.
[8] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
[9] FHD/HD content required to view FHD/HD images.
[10] Sold separately or as an optional feature.
[11] Resolutions are dependent upon monitor capability, and resolution and color depth settings.
[12] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
[13] For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
[14] Recharges up to 50% within 45 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
[15] Availability may vary by country.
[16] 30-day McAfee® LiveSafe™ trial included. Internet access required and not included. Subscription required after expiration. See www.McAfee.com for more details.
[17] HP Support Assistant requires Windows and Internet access.
[18] Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
[19] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
[21] Requires Windows 11 and an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot in Windows is not available, the Copilot key will lead to the Bing search engine. See http://aka.ms/WindowsAIFeatures .
[51] Backlit keyboard is an optional feature.
