

Pin busbar touch-safe, 10 mm<sup>2</sup> 3x 1-phase+AUX, 214 mm long can be cut, with end caps

| Model                             |                          |       |
|-----------------------------------|--------------------------|-------|
| product brand name                | SENTRON                  |       |
| product designation               | Pin busbar               |       |
| design of the product             | 10 mm², 3X1PH+AS L214 mm |       |
| General technical data            |                          |       |
| phase number                      | 1                        |       |
| cross-section                     | 10 mm²                   |       |
| Main circuit                      |                          |       |
| operational current / rated value | 63 A                     |       |
| Product details                   |                          |       |
| product feature / insulated       | Yes                      |       |
| Connections                       |                          |       |
| type of electrical connection     | Pin                      |       |
| Mechanical Design                 |                          |       |
| width                             | 18 mm                    |       |
| length                            | 214 mm                   |       |
| net weight                        | 74.94 g                  |       |
| General Product Approval          |                          | other |
| Declaration of Conformity         |                          |       |
