### DETAILED DATA

|                                     |                     |
|-------------------------------------|---------------------|
| In print/Pictogram                  | none                |
| Type of material                    | Metal               |
| Surface protection                  | natural             |
| Type of surface                     | not applicable      |
| Mounting method[ETIM]               | flush mounted       |
| Fixing method                       | claws / screws      |
| Height of product                   | 75 mm               |
| Width of product                    | 75 mm               |
| Depth of product                    | 32 mm               |
| Installation depth                  | 26 mm               |
| Operating method / Way of operating | rocker button       |
| Number of buttons / levers          | 2                   |
| Connection layout                   | Intermediate switch |
