

Double wheel rechargeable wireless mouse - INFINITEPRO

INFINITE DECLUTCHABLE WHEEL AND SIDE WHEEL

Rechargeable wireless mouse with INFINITE wheel. Scroll extremely quickly by rolling the wheel thanks to its release function.
 Navigate your large documents easily and quickly, without needing to scroll endlessly to reach the bottom of the document.
 With its second side wheel, easily accessible under the thumb, navigate sideways through your files and take full control using your mouse.
 Use your mouse via Bluetooth or take advantage of its simple Plug & Play connection with its USB-A dongle. Plug in and browse instantly.
 It has two easily accessible shortcut buttons on the side, to access the previous or next page.
 Its automatic sleep mode extends the life of your mouse's battery when it remains without movement for a few minutes.
 Excellent autonomy thanks to its 500 mAh battery.
 Compatible with any device with a USB-A port or Bluetooth connection (Mac, PC, tablet, etc.)
