A

Thermex York IV combines sleek design, efficiency, and user-friendliness, making it an ideal choice for modern kitchens.

Thermex York IV is a sleek and efficient cabinet-mounted cooker hood, designed to fit perfectly into modern kitchens.

Design and Functionality

Material and appearance: Made of black painted steel for a timeless and minimalist design.

Installation: The hood is installed in a cabinet and measures 60 cm in width, making it ideal for integration in most kitchen cabinets.

Lighting: A sleek LED light strip (3000 Kelvin, 1.5 W) provides pleasant illumination for the cooking area.

Features and Operation

Filtration: Equipped with 2 washable aluminium filters. A carbon filter kit can be purchased for recirculation.

Control: Simple operation via rocker switches to adjust 2 speeds and lighting. The microswitch in the pull-out allows for easy on/off control by simply sliding it out.

Motor: Built-in motor with energy class A, delivering an airflow of up to 307 m³/h.

Noise Level

With a noise level of just 41 dB(A) at the lowest speed and a maximum of 61 dB(A), York IV ensures a quiet and comfortable cooking experience.

Easy Maintenance

The hood is easy to maintain. Wipe the surface with a damp cloth, and the aluminium filters can be cleaned in the dishwasher.

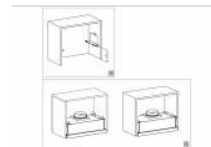

Flexible Installation

York IV offers multiple mounting options, making it a versatile choice for different kitchen setups.

Thermex York IV combines modern design, efficiency, and user-friendliness – a perfect solution for a stylish kitchen.
