for a compact package and easy assembly

Short Description

- **Compatibility:** 17–32" monitors
- **Capacity:** Max load 9 kg
- **VESA:** Up to 100×100; standards compliant
- **Motion:** 360° rotation with tilt/swivel/height adjust
- **Mechanism:** Gas spring for smooth, counterbalanced movement
- **Mounting:** Clamp or grommet
- **Cable Mgmt:** Built-in routing for a tidy setup

Description

The 17"–32" Monitor Desk Mount is a practical and ergonomic solution designed to enhance comfort, productivity, and desk organization. Compatible with monitors ranging

from 17" to 32", it supports most flat and curved displays that follow standard VESA mounting patterns, making it suitable for home offices, corporate workstations, and professional environments.

The mount allows smooth adjustment of height, tilt, swivel, and rotation, enabling users to position the monitor at an optimal viewing angle. Support for both portrait and landscape orientations provides flexibility for tasks such as document editing, coding, graphic design, and general multitasking. By improving monitor positioning, the mount helps reduce neck and eye strain during extended periods of use.
