• Adjust with Ease

Manage the lighting at your fingertips to create the perfect atmosphere in your home at anytime.

• Preset for Convenience

Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.

Schedule

• Set Your Times

Create a regular schedule to turn on/off with the brightness you set.

• Sunrise and Sunset Mode

Automatically activate your light according to your time zone.

Highlights

Free Up Your Hands with Voice Control

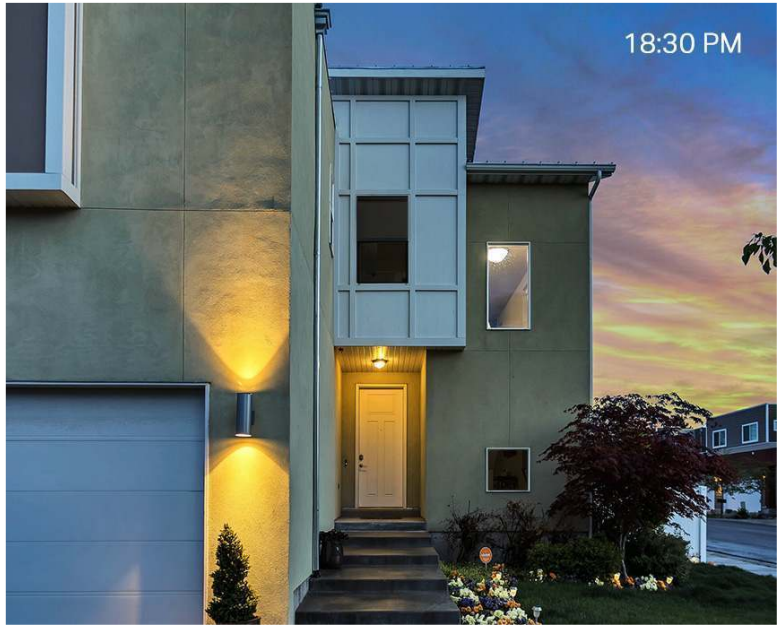

You can use Amazon Alexa or Google Assistant to control your devices with voice commands like “Alexa, turn on the light please”.

works with the Google Assistant

WORKS WITH amazon alexa

A Deterrent for Your Home

Away Mode, a feature that intelligently simulates someone being home by turning the light on and off, makes it appear that someone is home when you’re on long trips to keep away people with ill intent.

Features

- **Remote Control** – Instantly turn the light on/off wherever you are through the Tapo app
- **Schedule** – Preset a schedule to automatically manage devices
- **Timer** - Create countdown timer lists for connected electronics
- **Voice Control** – Manage your smart bulb with voice commands via Amazon Alexa or the Google Assistant
- **Away Mode** – Automatically turns bulb on and off at different times to give the appearance that someone is home
- **Easy Setup and Use** - No hub required, set up quickly and manage easily through the free app
- **Device Sharing** - Easily share management permissions with each member of your family.
- **Sunrise and Sunset Mode** - Automatically activate your bulb according to your time zone.
- **Energy Saving** - Reduce energy use up to 85% without losing brightness or quality.
