Highlights

A full range of available applications
Ideal outdoor lighting for a garden, terrace, pathway or balcony, Philips outdoor wall, post, pedestal and ceiling lights create a cosy, relaxing atmosphere when the sun goes down, as well as providing the reassurance of being able to see safely after dark.

Long lifetime up to 15,000 hours

Reliable high-quality LED light lasts up to 15,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while enjoying the perfect garden light every night.

High-quality aluminium and real glass

This Philips light is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminium and real glass.

IP65 weatherproof rated
An IP rating contains two digits which refer to protection against solids, such as dust, or liquids, such as rain. IP65 means that these light fixtures are protected against water splashed from any direction and are suitable for outdoor use.

High light output
Brighten up your home with high-quality light
