Mako 6.5" Mobile POS Terminal / UIS7861 Octa-core processor / 4GB RAM / 64GB ROM / Android 14

In today's fast-paced commerce environment, every second and every interaction counts. The Capture Mako is engineered to elevate your sales process - delivering fast, reliable transactions in the field, at the table, on the sidewalk, or behind the counter.

Ideal Use Cases
Restaurants & Bars - Take orders and accept payments through SoftPay right at the table to speed turnover and enhance guest satisfaction.

Retail & Boutiques - Print labels, receipts, or inventory updates on the spot.

Events & Ticketing - Validate tickets, scan barcodes, and sync data in real time.

Delivery & Field Sales - Rugged yet portable, the Capture Scorpion excels in outdoor or mobile settings.

Pop-ups, Kiosks & Markets - Lightweight but powerful—your compact payment engine.

In other words, the Capture Mako is more than just a payment device—it's your field sales engine. It combines performance, versatility, and convenience in one robust handheld solution, helping you close more sales on the go, reduce downtime, and deliver a seamless customer experience.

Empower your business with the Capture Mako—and let every transaction count.

- Frictionless checkout = happier customers With support for NFC, QR codes, and mobile wallets, the Capture Scorpion accepts virtually all modern payment methods—minimizing friction and boosting conversion rates.
- All-day power, zero downtime The Capture Scorpion features a removable 3,500 mAh battery that powers up to 11.3 hours of continuous use (and up to 16 hours standby). Swap in a fresh battery mid-shift to ensure no interruption in service.
- Bright display, clear visibility A 400-nit high-brightness screen ensures crisp, legible display even in broad daylight—ideal for outdoor vendors, delivery staff, and pop-ups.
- Fast, reliable printing—right on device An integrated thermal printer (80 mm/s) with a built-in metal cutter reduces paper jams and delays. Support for 40 mm paper rolls and image printing in over 200 languages is perfect for universally usable receipts, labels, or tickets.
- Robust connectivity, wherever you roam With dual-band WiFi, 4G/ LTE, and Bluetooth 5.0, the Capture Scorpion maintains strong, stable connections in any environment.
- Precision location + fraud mitigation Built-in GPS/A-GPS, GLONASS, and BeiDou functionality enables precise geolocation of transactions—helping reduce fraud risk and increase trust in your remote operations.
- Powerful performance under the hood Powered by a quad-core 2.0 GHz CPU built on an 11 nm process, with 3 GB RAM and 32 GB storage, the Capture Scorpion offers responsive performance and efficient operations, even under heavy workloads.
- Certified Android ecosystem & flexibility Based on Android 12 and GMS

- certified, the Capture Scorpion supports existing Android apps and services—allowing seamless integration and customization via SDKs, app stores, and terminal management tools.

Specifications

Battery	**Battery Capacity (Wh)**	26.6 Wh
	Battery weight	133 g
	Number of battery cells	2
	Rechargeable battery	Yes
Design	**Product colour**	Black
Display	**Display diagonal**	6.5 "
	Display resolution	720*1600 pixels
Legal Information	**Country of Origin**	China
	Tariff No.	8470500000
	UNSPSC Code	43211505
Multimedia	**Built-in speaker(s)**	Yes
Network	**Bluetooth**	Yes
	Wi-Fi	Yes
Other features	**Dimensions (WxDxH)**	81x194x60 mm
	I/O ports	1 x USB (Type-C)
Package dimensions	**Depth (package,cm)**	24 cm
	Gross Weight (Package, kg)	2 kg
	Height (package,cm)	8 cm
	Width (package,cm)	9 cm
Packaging content	**POS printer included**	Yes
Power	**AC adapter output current**	2 A
	AC adapter output voltage	5 V
Printing	**Maximum printing width**	5.8 cm
	Maximum roll diameter	4 cm
Product dimensions	**Net Weight (Product, kg)**	1 kg
	Product Depth	22 cm
	Product Height	4.5 cm
	Product Width	8 cm
Software	**Operating system installed**	Android 14
Vendor information	**Brand Name**	Capture
	Warranty	1 Year(s)
