

FLAT SCREEN DISPLAY TROLLEY

Launched as the first model in B-Tech's Momentum Range of mobile display solutions, the BT7504 Momentum One trolley is a one pole, one box solution that offers a quick and compact mobile mount for installing small to medium sized displays. It's simple 'hook-on' installation allows for easy screen fitting, at a choice of 3 different heights, with the flexibility to mount the screen in either landscape or portrait orientation. Integrated cable management and collar compatibility allows the solution to be neatly accessorised with shelves or video bars if desired.
