COLOR
SIGNAL WHITE

DIMENSIONS
(HxWxD)
131 x 483 x 217 mm
5.15 x 19.00 x 8.54 inch

MOUNTING INSTRUCTIONS

1. For installations with two appliances, remove the left push-out by applying even pressure around the edges, starting at the bottom. Once the cover is partially detached, carefully remove it completely by gently wiggling it free.
2. Place the appliance into the rack and secure it using the supplied screw.
3. If using an external power supply, position it against the L-bracket behind the appliance and secure it with two zip ties. Alternatively, it can be mounted using a DIN rail clip.
4. Secure the rackmount kit in your cabinet. Route the power cable through the front opening of the frontplate and then fasten in place.

PACKAGE CONTENTS

1 Rackmount
1 Frontplate
6 Zip ties
2 Thumb screws

Please ensure proper ventilation according to the network appliance manufacturer's guidelines.
