DATASHEET

HyperX Cloud Earbuds III Black

PLUG. GO. PLAY

Cloud Earbuds III are your ultimate gaming companion on the go, bringing HyperX signature comfort and zero-lag immersion into a sleek, pocket-ready form. With ear tips in a range of sizes from XS to L, you can stay cool and comfortable during marathon gaming sessions. With HyperX-tuned 14mm drivers, you'll be at the center of every battle without an additional sound card. An omnidirectional microphone that delivers better audio than your average earbuds, and an inline control lets you instantly switch volume, mute, and access surround sound for complete control. The angled connector delivers true plug-and-play speeds across mobile, handheld, and PC, with zero lag, no batteries, and no dropped connections — so you can play and win anywhere without sacrificing comfort or performance.

Key features

All Day Comfort

Relieve ear pressure with soft cushioning and patented Intra-Concha ear tip design that comes in 4 sizes to ensure a stable and comfortable fit during long gaming sessions. Ambient sound seeps through so you are not sacrificing situational awareness.

Seamless play across all your devices

The 90-degree angled 3.5mm plug designed for mobile gaming prevents snags and pulls. These wired earbuds also provide lag-free in game audio and voice chat.

Ultra-portable design for gaming on the go

Lightweight and pocket-ready, these earbuds are extremely comfortable at a fraction of the weight of a full-sized headset. The cable weighs less than 30 g, and the slim size design makes it easy to store in its protective hardshell carrying case.

Rich, balanced audio

Experience powerful bass and clear highs for gaming, streaming, and music. Maintain tonal balance for precise in-game cue detection

Built-in Mic and Controls for Clear, One-touch Communication

The in-line mic and buttons[1] create seamless muting, call answering and control playback to pick up crisp audio with one-touch call handling, so you can stay in the action and easily chat with your team.
