- **Load Capacity:** Up to 20 kg.
- **Mounting:** 2-point fixing.
- **Color:** Black.

Description

The equip® 328001 is a 19" fixed rack shelf that provides stable support for equipment inside rack cabinets. The 1U height fits all cabinets with standard 19" mounting.

A two-point fixing design makes installation straightforward and secure, and the 350 mm physical depth suits network devices, accessories, and lightweight equipment up to 20 kg.

Finished in black, it integrates cleanly into professional server and network cabinet environments.
