

BE Flexible Clamps

Discover BE Flexible monitor arm clamps: From subtle black C-Clamp (18-32 mm) to widely adjustable Large (5-80 mm) and Long (0-33 mm) for placement further away on the desk. Now it's even easier to create a neat, ergonomic workspace.

With the right clamp, you can get the most out of your monitor arm. In our BE Flexible series, you can choose from three clamps, each of which is perfect for a specific situation. Which clamp you need depends on the thickness of your desk and where you want to mount the arm. This allows you to create a stable, neat and ergonomic workspace in any environment, from flexible workspaces to permanent (home) workspaces.

BE Universal Family

The BE Flexible clamps are part of our BE Universal family and are suitable for use with our BE Flexible arms. Be inspired:

- BE Flexible Single: for a minimalist and ergonomic setup.
- BE Flexible Dual: a double monitor arm for two or three screens.
- BE Universal Crossbar: for a perfectly symmetrical setup with two screens, or use a double monitor arm to create a setup with up to three screens!
- BE Universal Laptop Holder: work ergonomically with just your laptop or use your laptop as an extra screen for an ergonomic setup with multiple screens.

Product dimensions

Product weight [g]	255
Product dimension length [mm]	60
Product dimension width [mm]	50
Product dimension height [mm]	43

Product design

Product colour(s)	Black
Clamp range minimum [mm]	18
Clamp range maximum [mm]	32

Battery & accu information

Battery needed?	No

Material product

Product material(s)	Steel, Other

Package material

Package material (s)	Paper/Carton
Package recycled %	100
Package recyclable %	100
Package biodegradable	Yes
Package biodegradable %	100

Package

Package weight including product [g]	300
Package dimension length [mm]	152
Package dimension width [mm]	104
Package dimension height [mm]	70

Available documents

Technical drawing available	Yes
