

Elo Pay 15" 'Tap to Pay'

Integrated Payment POS

**Integrated NFC for
contactless payments**

Android 14

**Enterprise-Grade
Support**

Product Overview

Discover seamless transactions with the Elo Pay 15-inch integrated payment solution. The self-service platform pairs a Full HD touch display with integrated NFC, Android 14, and the Qualcomm SD6490 processor to deliver fast, reliable performance. From self-order and self-checkout to ticketing and customer check-in, deploying kiosks has never been easier. Pair the Elo Pay 15-inch with a variety of stands and mounts to create the self serve solution your business needs.

With no need for complex payment certifications and access to immediate integration, it's never been easier to start transacting. Start changing the way customers and employees interact by deploying a new generation of interactive technologies that provides seamless integration, effortless provisioning and simplified device management via EloView™ or your preferred management tools.

**Integrated NFC offers Full EMV L1
Compliance to accept payments**

**Universal VESA mount allows the Elo
Pay 15" to mount on a variety of
stands, pole mounts and wall mounts.**

**Optional PoE adapter simplifies
installation with power and data over
a single cable**

**Configure for a variety of applications
with four Elo Edge Connect™ ports
integrated along the display edges**

Elo Pay 15" 'Tap to Pay' POS System
