2K Fixed Indoor Wi-Fi Camera

DCS-6013

Key Features

- 2K (2304x1296) high resolution with much more clarity than Full HD (1920x1080)
- IR night vision enables visibility up to 8 m in total darkness
- AI-based person detection[4]
- Sound and motion detection
- 802.11n with WPA3 security offers protection for your network and data transmissions
- Two-way audio transmits and receives audio with built-in microphone and speaker
- Continuous recording to local microSD[1,2]
- Remote monitoring and management via the mydlink App
- Voice command using Google Assistant and Alexa[3]

works with Google Home

Compatible with Alexa

User Benefits

2K Quality

3MP captures finer details than Full HD for more precise monitoring

Wide Angle

A wide 115° field of view sees more with minimal blind spots

Sound and Motion Detection

Receive rich notifications when sound or movement is detected

AI-Based Person Detection

Intelligently identifies human motion[4]

WPA3 Protection

Protects Wi-Fi network against threats with stronger encryption

Day & Night

Around-the-clock surveillance, even in complete darkness

Two-Way Audio

Spontaneous, real-time communication from anywhere

Cloud Recording

Keeps your important moments safe and accessible using the mydlink App[1,5,6]

Technical Specifications

General		
Hardware Profile	• 1/3" 3MP CMOS sensor • 8 m (26.2 ft) IR illumination distance • Built-in Infrared-Cut Removable (ICR) filter module • Focal length 3.0 mm • Aperture F2.0	• Angle of view: Horizontal: 87° Vertical: 50° Diagonal: 115° • Built-in microphone and speaker
Image Features	• Configurable image size • Person detection	• Sound detection
Video Compression	H.264 format compression	
Max Video Resolution	3MP resolution (2304×1296)	
Audio Support	MPEG-2 AAC LC	
Network		
Connectivity	• 802.11 b/g/n wireless • Wi-Fi operates on 2.4 GHz band	
Network Protocols	• IPv4	
Security Protocol	WPA3™, TLS	
System Integration		
Event Management	• Person detection • Motion detection • Sound detection	• Push Notification • microSD card recording[1,2] • Cloud recording[1,5,6]
Device Management	mydlink App (iOS and Android™)[3]	
Physical		
Environment	For indoor use only	
Weight	66 g	
Power Adapter	• Input: 100 to 240 V AC, 50/60 Hz	• Output: DC 5V/1A (USB Type-C)
Temperature	• Operating: 0 to 40 °C	• Storage: -20 to 70 °C
Humidity	• Operating: 20% to 90% non-condensing	• Storage: 5% to 90% non-condensing
Dimensions (L x W x H)	56 x 56 x 104 mm	
Certifications	• FCC Class B • CE	

1. Use of audio or video equipment for recording the image or audio of a person without their knowledge and consent is prohibited in certain states or jurisdictions. The end-user assumes all liability for compliance with applicable state, local and federal laws.
2. microSD card not included. Supports capacity up to 512GB. To ensure microSD card compatibility, refer to the microSD Card Compatibility Guide on the product page
3. Google, Android and Google Home are trademarks of Google LLC.
4. Actual performance may vary due to settings, cabling, temperature, network configuration, interface, device compatibility, environmental and on-site conditions, and other similar factors. References to power capability, signal or processing speed, signal range or distance, data encryption, storage capacity, display properties, or other performance metrics are based on optimal conditions derived from industry standards and provided for informational purposes only.
5. The performance of AI-related functions varies depending on installation angle and environmental conditions.
6. Requires mydlink cloud subscription and stable Internet connection. Features and service availability may vary by region and model. Encryption technology enhances privacy, but no system is 100% secure.
7. Specifications may be subject to change without prior notice.
