Qty. 1

EMV Edge Bracket, 15 Windows
(bag label "15 W")
Qty. 1

EMV Edge Bracket, 22 Windows
(bag label "22 W")
Qty. 1

1

Remove Fill Plate on Display Bracket.

2

Add the EMV Mount Plate to the Display Bracket using (4) screws from bag "R".

3

Add (2) screws to EMV Mount Plate from bag "P" at position 1, 2, 3 or 4. Leave ~3mm (1/8") gap (for EMV Arm).

Position "1" for 15" in portrait.

Position "2" for 22" in portrait.

Position "3" for 15" in landscape.

Position "4" for 22" in landscape.

4

Assemble EMV Arm to Display Bracket. Add (2) screws from bag "P" at right most position "A" to secure EMV Arm to Display Bracket.

5

Locate universal mount from bag "A". Assemble universal mount to bottom of EMV terminal by sliding upwards as shown.

Tighten locking screw.

6

Assemble EMV terminal cable (not included) as shown.

7

Feed EMV terminal cable through hole in shroud as shown. Stow cable ferrite in shroud cavity as shown.

8

Assemble EMV terminal into shroud by tilting down as shown, while pulling excess cable through the shroud.

Note there are two sets of mounting holes in the shroud. Ensure two pins from universal mount are engaged with the correct holes in shroud. Fasten universal mount to shroud by installing four screws from bag "B".

9

Assemble shroud to arm using four screws from bag "R".

10

Route EMV terminal cable and tie-wrap.

For portrait installations, setup is complete.

For landscape installations, proceed to step 11.

11

Remove plastic cover from right edge of display.
Add Edge Bracket using (2) screws from bag "C".
Use Edge Bracket "15 A" for Android 15"
Use Edge Bracket "22 A" for Android 22" 2.0/3.0
Use Edge Bracket "22 A4" for Android 22" 4.0
Use Edge Bracket "15 W" for Windows 15"
Use Edge Bracket "22 W" for Windows 22"

Return to Wallaby™ assembly instructions
(QIG600184/QIG600185) to complete installation.
