CHARGE 6

Portable waterproof and drop-proof Bluetooth speaker

Play and charge anywhere

Like that newest season of our favorite show, the JBL Charge is back and better than ever. The Charge 6 is everything we've come to love with new twists, higher stakes, and a bigger punch. With sound that slaps like never before, better connectivity, sturdier build, and up to 28 hours of playtime, the Charge 6 is a portable audio beast.

How do we pack more sound in the same iconic portable speaker package? With some redesigned hardware and our brand new JBL AI Sound Boost - a clever audio processing algorithm we've included under the hood. The end result? The Charge 6 hits way above it's weight class, filling our space with full, rich, immersive sound - without taking more space on our table.

The Charge 6 is also one of the toughest portable speakers out there. It's waterproof, dustproof and drop-proof so it takes a beating without missing a beat. And, true to its name, the Charge 6 still includes a built-in powerbank to charge your mobile device while you continue to jam out to your tunes.

What could be better than a new JBL Charge 6 in our lives? How about two? or four? Now we can effortlessly connect with other Auracast™-enabled JBL speakers to cover more ground (and more ears) with the same playlist, whether we're throwing the most sensational rooftop soiree or getting the crowd hyped before the ultimate pickle ball tourney.

This is THE JBL Charge 6. Portable audio like we've never heard it before.

Features

- Powerful JBL Pro Sound with AI Sound Boost
- Up to 28 hours of playtime
- Multi-speaker connection by Auracast™
- Waterproof, dustproof, and drop-proof
- Sturdy handle strap
- Fast charge
- Built-in powerbank
- Lossless Audio Playback
- JBL Portable app
- Recycled plastic and fabric, plus FSC certified paper packaging

Bluetooth®

JBL CHARGE 6

Portable waterproof and drop-proof Bluetooth speaker

Features and Benefits

Powerful JBL Pro Sound with AI Sound Boost
How does the already great JBL Charge sound profile get even better? It helps that we have some of the best engineers in the game retooling our kit to deliver our most realistic sound reproduction yet. Surprisingly rich, powerful bass and crisp higher frequencies give the Charge 6 a whole new reason to humble brag.
We also added our new proprietary tech, AI Sound Boost, which analyzes your music in realtime to deliver maximum acoustic performance with less distortion. It's like our own little audio genie in every Charge 6.
All-in-all, the Charge 6 comes out swinging, with bigger booms and baps, cleaner belts and claps, and everything in between.

Up to 28 hours of playtime
Keep the mood alive for 24 hours on a single charge - and when we really need to squeeze some extra juice out of our jubilee, or another dance with our darling, we can get an extra 4 hours with JBL Playtime Boost.

Multi-speaker connection by Auracast™
Wouldn't it be great to share the vibes with our tribe? Now we can. With Auracast™, we can effortlessly stereo pair two Charge 6 speakers for a wider sound stage and connect multiple Auracast™-enabled JBL speakers to cover more ground with the same playlist.

Waterproof, dustproof, and drop-proof
Have you ever dropped your speaker, had it roll down a dusty hill and land in a lake? No? Well, believe it or not, it happens. So, we built the JBL Charge 6 to be as life-proof as they come. On top of our legendary water-proof and dust-proof design (an industry-leading IP68, BTW), we've also made sure that if you drop it from 1-meter onto your concrete floor, it'll keep kicking. But please, don't go throwing your speaker around just to flex on your friends. Throw parties instead.

Sturdy handle strap
Now we can carry our sound our way with a handy removable handle strap - for those of us who love to make it from the car to the house in one trip no matter the cost.

Fast charge
No need for the low battery blues when you can give your Charge 6 a quick boost! 10 minutes on the charger gets you up to 150 minutes of playtime.

Built-in powerbank
No need to put the party on pause. Our built-in powerbank lets you charge your mobile device* while jamming out to your tunes.
*JBL Charge 6 powerbank doesn't support laptop charging.

Lossless Audio Playback
When music goes lossless it gets that much better. For the real audio aficionados, we've made lossless audio possible by plugging into your laptop or other audio device via our USB-C port**. But, of course, in order for it to work, you need a compatible lossless audio source*.
** Feature available via JBL Portable App OTA (Over The Air) software update
*Requires compatible lossless audio content from supported apps/ services.

JBL Portable app
It's an app. We've all used them, and they can come in real handy. The JBL Portable app gives you access to support, updates, and customizable audio controls - so you can get just the right sound to suit your mood at any moment.

Recycled plastic and fabric, plus FSC certified paper packaging
The JBL Charge 6 incorporates 85% post-consumer recycled plastic and 100% recycled fabric for the speaker grille. It's also packaged in FSC-certified paper printed with soy ink.

Technical Specifications

- Transducers: 53 mm x 93 mm woofer, 20 mm tweeter
- Output power: 30 W RMS for woofer, 15 W RMS for tweeter
- Power input: Voltage: 5 - 20 V (5 V, 9 V, 12 V, 15 V, 20 V)
- Current: 3 A (Max)
- Frequency response: 56 Hz - 20 kHz (-6 dB)
- Signal-to-noise ratio: > 80 dB
- Connection ports: USB-C (in / out) (USB cable not included)
- Bluetooth® version: 5.4
- Bluetooth® profile: A2DP 1.4, AVRCP 1.6
- Bluetooth® transmitter modulation: GFSK, π/4 DQPSK, 8DPSK
- Bluetooth® transmitter frequency range: 2400 MHz - 2483.5 MHz
- Bluetooth® transmitter power: < 15 dBm (EIRP)
- Product dimensions (W x H x D): 228.8 x 98.5 x 94.0 mm / 9.0" x 3.9" x 3.7"
- 0.99kg / 2.18 lbs (with strap) 0.96 kg / 2.11 lbs (without strap)
- Packaging dimensions (W x H x D): 256 x 119 x 145 mm / 10.1" x 4.7" x 5.7"
- Gross weight: 1.37 kg / 3 lbs
- Maximum operation temperature: 45 °C
- Battery type: Li-ion polymer 34 Wh (equivalent to 7.2 V /4722 mAh)
- Battery charge time: 3 hours (12 - 20 V / 3 A)
- Music play time: Up to 24 hours of playtime plus 4 hours with Playtime Boost (dependent on volume level and audio content)

What's in the Box

1 x JBL Charge 6
1 x Strap
1 x Quick Start Guide
1 x Warranty Card and Safety Sheet
